

Business Reference for Instrowest Pty.Ltd.

To Whom It May Concern:

In my capacity as Electrical / Instrument Supervisor at St. Barbara Limited Southern Cross operation; I have enjoyed a long term fruitful business relationship with Mr. Alf Matthews; manager of Instrowest Pty. Ltd.

Instrowest delivers the highest quality service to the electrical / instrument team here at the SBM processing plant.

When using Instrowest I am confident that attention to detail is a given. From the conceptual phase of a project, to final full function testing during commissioning, and comprehensive hand over documentation on completion.

Instrowest have also provided us here at SBM with the highest quality tradespeople. They are completely and thoroughly screened by Instrowest prior to being suggested for site, to ensure an optimum "fit" for our demanding processing plant.

Instrowest' offer a very attractive financial package with all of our dealings. This is reflective of the competitive market place that Instrowest is involved with.

In my capacity I would have absolutely no hesitation in recommending Alf Matthews and his professional team.

For confirmation or clarification of any points; please contact me directly.

Sincerely

Garry Murphy
